St. Albans Expects to Make Good Showing in Georgetown Meet Tomorrow Night.

### Wek-End Card

Today-Catholic University vs. Swarthmore, at Swarthmore, Pa.; Gallaudet vs. P. M. A., at Pa.; Gallaudet vs. P. M. A., at Chester, Pa.; Western vs. A. N. Preps, at Arcade; Eastern vs. Staunton Military Academy, at Staunton, Va.; Eaton A. C. vs. Boys' "Y," at Y. M. C. A.; Tech vs. Carroll Institute.

Tomorrow — Navy vs. Swarthmore, at Annapolis; Gallaudet vs. Temple College, at Philadelphia; Eastern vs. Massanutten, at Woodstock; Georgetown indoor track games, Convention Hall.

By BRYAN MORSE.

Eastern's scheduled trip to Staunton, va., and the visit of the Wellesley High School team, of Boston, has changed the entire card for the next week, acording to President Hudson, of the Interscholastic League.

According to final plans drawn up oday the Wellesley High School team will meet the Army and Navy Preps, on Monday, Western on Tuesday, and Business on Wednesday. All of these games will be played at night at the Arcade, and will be followed by dan-

In addition to these games Western is slated to meet Tech on Monday afternoon at Carroll Institute, Business is down for an exhibition game with Gonsaga on Tuesday night. On Wednes-day Central will probably be asked to play Eastern, as today's game will be

Dr. Hudson and Jack Connolly, the Boston man who made the trip of the Wellesley team possible, will arrange the final details of the meetings between the local teams and the Boston titleholders tomorrow morning. The order of games has been agreed upon here and unless Wellcaley objects to playing three straight games, the Prep's Western and Business will meet them in the order named.

Western is leading the league at present. The Red and White has won seven games and lost none, while the Preps have won six and lost two. In the first engagement Western won by 32 to 29. The loss of Peine has been a serious blow to the Westerners, who will go into today's battle with a crippled team. The Preps were without "Bunny" Knudsen in their last engagement with Western.

St. Albans is expecting to make another clean-up tomorrow night at Convention Hall, provided Brewer, Maxam, and Carter are not so far back of the field in allotted handleaps that they get no chance to show. Brewer will be forced to concede liberal handleaps to a big field, while Carter will also be scratch man in the events in which he enters, Maxam, however, has falled to show form this winter in the short distances, and can be counted upon to come through in the dashes.

Captain Tibbotts, of Tech, has been forced to lay out of the meets so far this winter on account of a strained tendon. Coach McMillen had Tibbotts going well in the hurdles and high jump when the injury kept him out of the running.

Mistead, captain of Central, and Birthwright, along with Carter, Brewer and Maxam, should furnish a great fight in the scholastic quarter. In ad-dition, Strubing, Walker, and Spruill, of Episcopal, will probably be down for the distance.

Central's basketball team plays Tome Institute at Port Deposit, Md., tomor-

Eastern League Will Be New Circuit's Name

BOSTON, Feb. 18.-The circuit of professional baseball clubs which is to take the place of the New England League and the Eastern Association in territory formerly occupied by them was named the Eastern League at a meeting of the representatives of the ten merging clubs here. It was voted to maintain the league at least until No-

Steps toward the organization of the circuit were taken by the appointment of committees to draw up a constitution and by-laws, to draft a playing schedule, and to decide upon an official baseball. Election of a president, vice president, secretary and treasurer, and five directors was deferred until next Thursday, when a second meeting will be held, in Springfield.

The Safest Investments

Are those that do not fluctuate during disturbed conditions of the money or stock markets. First deed of trust notes (first mortgages), well secured on real estate in the District of Columbia, constitute "gitt-edge" investments. They do not depend upon the fluancial responsibility of individuals or operations for their stability, and are exempt 'som taxation as personal property. We can supply such investments in amounts from \$860 upward. Bend for booklet "Concerning 'onns and Investments."

They are all prudent men-careful buyers who look at a dollar twice before spending it.

And they know that the same principle of quantity production that is giving the public an automobile

at the public price, is giving them a \$3.50 value shoe

To pay \$3.50 for a regular \$3.50 value shoe is literally like tearing up a dollar bill into small pieces

Imagine buying a pair of reliable, beautiful, comfortable NEWARK Shoes and cramming that precious dollar way down deep into your pocket. Men: It is wisdom. DO IT TOMORROW.
